## SATISFACTION GUARANTEED

Thank you for providing the Maritimes with a non-chemical treatment option. As far as I know, you guys are the only ones with thermal treatment and it is at a reasonable price. I slept better these past couple nights after having the canine inspection done; I can tell you guys are hard workers, and put your all into this business. Your dogs are very well trained and it's amazing to see!

- JC, Dartmouth

We have nothing but admiration for Pamela and Brian. Not only are they efficient and thorough, but also compassionate and discreet. Their dogs are absolutely remarkable. I would strongly recommend them to anyone!

- Peter, Halifax
